HARP

Alyssa Crosby

PRELIMINARY SEATING

Returning TPYO members are listed first, in the order from the past year. New members of the 2026-2027 TPYO are shown in bold.

Alternate Players are indicated by an asterisk (*). An alternate does not attend rehearsals. They will be contacted if a position becomes available at any point during the year.

Seating Assignments - Initial seating determined by music checks held during the rehearsal on **Sat., September 12**. Read below for detailed information about String Section Music Checks.

STRING SECTION SEATING CHECKS

After the initial seating check, two additional seating checks will be held prior to the major performance. These checks, covering the most difficult passages from the upcoming concert music, are held to provide motivation for serious preparation of the concert music and as an incentive of higher levels of individual performance.
